***Response to Amendment***

1. The amendment to the claims, specification, and drawings received 11/26/04 has been entered in full.
2. Applicant's arguments, see pages 17-20, filed 11/26/04, with respect to the claims have been fully considered and are persuasive. The rejections based on the prior art have been withdrawn.

✓ ***Reasons for Allowance***

3. Claims 21-36 are allowed.
4. The following is an examiner's statement of reasons for allowance: Claims 28 and 35 were objected to in the previous office action as containing subject matter which would be allowable if rewritten in independent form. As the amended claims 28 and 35 have been rewritten in the amendment as independent claims they are now allowable. Regarding claim 21, based on the Applicant's amendment and convincing arguments (see especially page 16-18) the claim is now in condition for allowance. Specifically none of the prior art discloses a defect inspection system wherein:

said display section displays each updated defect which is determined to exist based on the updated defect data extracted by saiddefect extracting section, by superimposing an image of the updated defect on corresopning images of the two kinds of two-dimensional images displayed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
